

The image shows a standard European energy label for a Gorenje BHP623E13X. At the top left is the EU flag. To its right is the word "ENERG" in large letters, with "енергия · ενεργεια" below it. Further right are two circular icons: one with "Y IJA" and another with "IE IA". Below this header, the brand name "gorenje" is written in a bold, lowercase font, followed by the model number "BHP623E13X". The main part of the label features a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the class "B". Below the scale, a box contains the value "66.7 kWh/annum". At the bottom, there are four icons: a fan, a lightbulb, water droplets, and a speaker. Each icon has a corresponding scale from A to G below it. The speaker icon is labeled "68 db". In the bottom left corner, the text "65/2014" is visible. On the right side, there is a vertical number "514461".
